

CREATION AS THE BODY OF GOD

Friday - Sunday, July 16-18, 2010
Hotel Albuquerque at Old Town

*“The whole of Creation will be liberated
from its bondage to decay and will be
brought into glorious freedom.”*

~ St. Paul, Romans 8:21

**NOW IS THE TIME
FOR LIBERATION!**

As human beings, we are called to participate in the liberation of the whole Body of Creation. Learn to see the Body of God with new eyes, be in solidarity with all of creation, and live sustainably in community.

- Experience all of creation as “a communion of subjects, not a collection of objects” (Thomas Berry, eco-theologian)
- Enter with the Earth into the transformative space of suffering
- Understand the rights of all living beings to clean air, potable water, and restored land
- Revive your prophetic voice and the soul-force needed for a movement of liberation
- Explore passionate participation as a tool for change
